

Data sheet
Handheld rechargeable EX PROOF UNI-EX

Réf. SC41-UNI-EX

Description :

UNI-EX is a very sturdy, rechargeable COB LED work light for the professional user. The COB LED light provides a unique powerful and completely uniform illumination which is ideal for working light. The extremely durable UNI-EX lamp features a sturdy surface to resist wet and dirty workshop environment. The shape and surface of the lamp provides a comfortable, ergonomic grip. Place the lamp everywhere you want during inspection work with the turnable sturdy hook or the strong built-in magnet in the bottom to have both hands free for working. The flexible lamp head tilts up to 180 degrees. UNI-EX is designed to carry in the pocket or in the work belt by the built-in belt clip. In this way, you always have the work light close at hand when you need efficient and bright illumination for a job. The lamp is recharged in the charging base. When not in use, you keep the lamp in the charging base which is prepared for wall mounting.

Technical data :
